

# Welcome to the Libraries of Rudersdal

## The libraries of Rudersdal are open for everyone

The library's services are, for the most part, free of charge. Charges for special services may be made.

### **Joining the library**

In order to register at the library, you need to apply in person. Your social security card must be shown on application.

## At the library you can ...

Borrow books, films, music, audio books in a variety of languages and for both children and adults – or download them at your home PC. You can also find current newspapers and magazines.

### **Children**

For children of all ages we have books, jigsaw puzzles, "play and learn" language material, stories on CDs, music and films. Children and adults may also borrow games for PC, Playstation, Wii, Nintendo and Xbox.

### **Music**

At each of our four libraries you may borrow CDs, music videos, books on music and sheet music. If you live in Rudersdal, you may download or stream on Bibzoom. You download the music for seven days quite legally and free of charge.

### **Newspapers and magazines**

Through Library PressDisplay you can read today's newspapers from more than 90 countries. If you live in Rudersdal and are registered as a member, you may access Library PressDisplay directly from home.

### **Learning Danish or other languages?**

If you are learning Danish or other languages, we have a variety of language courses for you to borrow or access on the Internet.

### **Information brochures etc.**

Pick up brochures and pamphlets about many different topics, such as tourist information, etc.

**Books, music, movies,  
magazines, newspapers,  
downloads, databases,  
answers ...**

## **At the library you can ...**

### **Reserve books, music and films directly from home**

You may search and reserve books, music, films etc. in our databases directly from home or at the library. You can also check your status and extend your lending period.

### **Databases**

The library has access licenses to a variety of data bases, some of which you may access directly from your home computer as well.

### **[www.bibliotek.dk](http://www.bibliotek.dk)**

Access national library collections via [www.bibliotek.dk](http://www.bibliotek.dk), order them and pick them up at your local library.

### **Just ask**

Our librarians are your guides to knowledge, so do not hesitate to ask for assistance.

### **Book a computer**

Using our computers is free of charge. You can book a pc in each of our four libraries. If you need to print, you have to pay for your prints. You may also bring your own computer and log on the wireless network.

### **Exhibitions, lectures and more**

Enjoy exhibitions, lectures and events for children and adults. Or enrol on some of our many courses.

### **Other library services**

Make photocopies, scan, print or send a fax.

### **Relaxation**

Buy a cup of coffee and relax in pleasant surroundings.

**See you at the library!**
