14.00-15.00	Workshop part 2 - Mikael Morberg og Tal Lewinsky (S)
15.00-15.15	Conclusion of the meeting and next meeting in Denmark

Speakers:

Sunniva Drake & Carola Snell from Esbo stadsbibliotek.

Carola Snell works as Library advisor in Espoo City Library. She is the team leader for Immigration services and her responsibility is to arrange practical possibilities. She is responsible for recruiting, timetables, practical arrangements and the staff.

Sunniva Drake works as Network designer for Espoo City Librarys Immigration services. Her responsibility is to develop and plan together with Immigration services-team new services. The new services have been developed depending on the political and practical situation for asylum seekers in Finland since 2015. First language practice, then Forms services, then passports to asylum seekers, then jobs.

Facilitators for the workshop:

Mikael Morberg og Tal Lewinsky from Mångkulturellt centrum.

Mikael Morberg, development manager at the Multicultural centre, Botkyrka, Sweden and Unesco LUCS. 25 years of experience in the interspace between policy, practice and research. Mikael have arranged several local, regional, national and international activities and projects. His professional field is project management, education, dissemination at local, national and international level. He has also worked with different EU-projects and networks and often facilitate workshops and debates within the field of migration, urban knowledge, segregation, human rights and social sustainability.

Tal Lewinsky has in the past worked as a librarian, mainly in the public section in different areas. He has been in charge of working with youth at the Tensta library in Järva.
